

Health measures protocol

YOUR HEALTH IS OUR PRIORITY!

COGES Events is committed to applying the measures listed below at all our events. All participants should respect the health protocol established according to our event sites.

PHYSICAL DISTANCING

- > Floor markings to maintain correct physical distancing at all the places with waiting areas: entrance, catering, toilets, etc.
- > Separated entrance and exit
- > Widened aisles to facilitate participants' flow
- > One-seat-apart sitting at the conferences/workshops

SAFE ENTRIES

- > Maximum participants capacity compliant with government measures on the date of the event
- > Regulation of entrances to limit the density of people present
- > Mandatory hand disinfection with hand sanitizer at the event's entrance
- > Paper badge to be printed in advance
- > Online registration recommended

BARRIER MEASURES

- > Dedicated signage with reminder to respect the barrier measures throughout the event
- > Wearing a mask that must cover the nose, mouth and chin
- > Hand sanitizer available throughout the event
- > Reception staff equipped with face masks / visors
- > Reinforced cleaning of common areas and facilities
- > Daily cleaning / disinfection of stands

RISK MANAGEMENT

- > Screening of suspected Covid cases at the reception
- > Medical team trained for Covid
- > Collector dedicated to infectious waste (disposable masks etc.)
